BLACK MEN'S
EMPOWERMENT SUMMIT

EMPOWERING A GLOBAL BROTHERHOOD, CONNECTING FOR A GREATER CAUSE

INTERNATIONAL **BLACK MEN'S** EMPOWERMENT SUMMIT

CONFERENCE OVERVIEW:

The Morehouse College Alumni Association Bahamas Chapter and The First Bahamas Branch of Toastmasters Club 1600 proudly present the 2nd International Black Men's Empowerment Summit. This year's theme, "Honouring the Journey: From Story to Wellness to Strength," celebrates the path of growth, resilience, and empowerment that Black men undertake. Through a series of impactful discussions, workshops, and networking opportunities, the 2025 Summit will delve into the holistic journey of the Black man — from sharing the transformative power of personal stories to prioritizing wellness in all areas of life, ultimately fostering strength both individually and within the community.

As we continue to build on last year's theme, "Moving Beyond Borders," we are reminded of our collective responsibility to forge partnerships that promote social responsibility, cultural empowerment, and impactful innovation. Together, we aim to extend the legacy of Morehouse College by offering platforms that connect Bahamian youth with opportunities for mentorship, experiential learning, and personal growth.

The Summit will serve as the local chapter's primary fundraiser, supporting scholarships that enable talented young men from the Bahamas to pursue higher education at Morehouse College. We invite you to join us in creating a space where Black men can connect, grow, and transform, united by a shared commitment to wellness, purpose, and lasting empowerment.

Join us in *Honouring the Journey* as we lay the foundation for a future of unity, strength, and boundless possibilities.
